The British Car Club Council hosted a highly successful British Car Day event Sunday, October 3 at Liberty Station. The San Diego Jaguar Club showed up in force. There were 34 beautiful Jaguars on the field. Several of our members brought other British marques as well.

The new venue worked out very well with shopping nearby and eateries in the area to suit everyone's taste and budget. The weather was typically British overcast, then turned to bright sun in the afternoon.

SDJC members Craig McLaughlin and Rex Ryan were instrumental in the planning and execution of the event and culminated it by handing out the awards. Our hearty thanks and congratulations on a job well done!

SDJC members fared very well taking top awards for three Jaguar categories: 1) Jaguar E-Type, 2) Jaguar Saloon, and 3) Jaguar Modern. Colin Seid took 1st Place in Jaguar E-Type with his 1961 E-Type roadster. 1st Place for Jaguar Saloon went to Chuck Swimmer for his 1959 MK 1 3.4 Automatic. 1st Place in the Jaguar Modern category was presented to George and Karen Penniman for their 2006 XK8 convertible and 3rd Place in that category went to Grant and Nedra Rummell for their brand new 2011 XJ.

Our Club members also did some cleaning up with their "other-than-Jaguar marques". Colin Seid took 2nd in "Austin Healey Big", Ken Smith was awarded 1st for "Rolls Royce", while Craig and Dannie McLaughlin took two awards with their 1952 Singer 4AD; 1st Place in "Still British" (a category in which you are placed when no one knows where you belong) and the big one "BEST of SHOW"!

Our Club had a very nice set-up with canopies, banners, and logo items offered. Champagne was sipped, strawberries and chocolate noshed, and new members signed. A splendid time was had by all. Thanks to everyone involved for a truly smashing event!
